

Welcome! Thank you for purchasing this course either as part of the 60-Hour program or for Continuing Competency. Many of the courses are available in both Video and/or Text. **It is not necessary to complete both versions.** We offer both versions to ensure your learning style is addressed. You can choose whether you want to watch the video, or read the text, but you **DO NOT** have to do both. You can use either version for study purposes- just be sure to take the all quizzes in one version **OR** the other.

Portions of this publication reproduce excerpts from the 2009 Michigan Residential Code, International Code Council, Inc., Washington, D.C. Reproduced with permission. All rights reserved. www.iccsafe.org

This is a review of the first ten chapters of the [Michigan Residential Codes 2009](#). Please omit **Chapter 2** as it consists of definitions only and can be referenced at any time. These are the codes that cover the building trades other than electrical, HVAC and plumbing. Use the quizzes attached as a study guide to familiarize yourself with the content and layout of the Code book.

****The [2009 Michigan Residential Code](#) book should be used as your primary reference source. If you have not purchased this book, and have no other comparable resources, please call our office at 1-800-727-7104 or go online to www.licensetobuild.com for ordering information. (You will be required by the state to own the code book when you become licensed.)**

If you are taking this course as part of the 60-Hour Prelicense Program, please read the information below:

The 60-Hour program is made up of 8 separate courses listed below. Many of the courses are available in both Video and Text/Online. It is not necessary to complete both versions. You can choose whether you want to watch the video version or read the text version. As the videos for the other four courses are completed, they will be added to your registration at no additional charge.

COURSES

1. Business of Building (Video or text)
2. Contracts, Liabilities and Risk Management (Video or text)
3. Project Management for Contractors (Video or text)
4. Marketing for Building Contractors (Video or text)
5. Building Green (Video or text)
6. Residential Code Review (Video coming soon)
7. Michigan Construction Safety (Video or text)
8. Overview of Building Trades (Video or text)

PLEASE CONTINUE READING:

FREE WITH PURCHASE

These are all optional and not required in order to complete the 60-Hour program, but the math tutorial and exam prep are extremely helpful in studying for the State exam.

- 3-Hour Math Tutorial video for State exam prep
- Michigan Exam Prep (sample questions for State exam prep)

You will be sent the following via U.S. Postal Service and should receive them within 3-5 business days:

- Applications to the state of Michigan
- PSI Testing Information booklet
- MIOSHA Test Review sheet
- Books (if ordered)

Residential Code Review
